### My estimated budget for this project:

Most people don't want to think about this, but your budget will determine whether your project can be installed all at once or phased in over time. The number of features and selection of materials (pavers, wood, stone, plants, etc.) Will also be determined by your budgetary constraints. Please indicate the budget figure that is closest to what you are willing to spend:

\$1k TO 5k

\$5k TO 10k

\$10k TO 15k

\$15k TO 20k
